# Company Overview

**Company Name:**  
Marigold Engineering Limited

**Tagline:**  
A Legacy of Landmarks

**Location:**  
Kampala, Uganda

# Who We Are

Marigold Engineering is a leading construction and engineering company specialising in architectural design, building, and civil engineering solutions. With a commitment to integrity, precision, and innovation, we provide end-to-end project execution, ensuring quality, efficiency, and sustainability.

From concept to completion, we deliver residential, commercial, and industrial projects that stand the test of time, transforming Uganda's built environment one landmark at a time.

# Our Vision

Transforming Uganda's built environment through innovative architectural designs, sustainable construction, and reliable project management.

# Core Values

# Our work is guided by:

- 1 Integrity:** Upholding the highest ethical standards in design and construction
- 2 Excellence:** Delivering quality craftsmanship and superior execution in every project.
- 3 Timely Delivery:** Meeting deadlines without compromising standards.
- 4 Innovation:** Using modern, sustainable building techniques and materials.
- 5 Client Satisfaction:** Prioritising clear communication and long-term partnerships.

# Our Services

We offer a comprehensive range of construction and engineering solutions, including:

### Design & Planning

- Architectural, civil, and structural designs tailored to each project's needs.
- Concept development, feasibility studies, and 3D modeling.

### Construction

- Residential, commercial, and industrial building solutions.
- End-to-end project execution from foundation to finishing.

### Project Management

- Full oversight of construction projects, ensuring quality, cost-efficiency, and smooth execution.
- Coordination of contractors, materials, and timelines.

### Renovations & Restorations

- Upgrading existing homes, offices, and commercial properties with expert craftsmanship.
- Structural improvements, extensions, and interior redesigns.

### Infrastructure Development

- Roads, drainage systems, and public infrastructure projects.
- Civil works that contribute to community development.

# Our Projects

We take pride in delivering high-quality, durable, and sustainable construction projects across Uganda.

### Notable Projects:

- ✓ Perimeter Wall & Gate Installation - Security-enhancing infrastructure.
- ✓ Country Home Construction (Luweero) - A bespoke residential retreat.
- ✓ Renovation & Drainage Works (Show Mercy International) - Upgraded drainage systems for improved functionality.
- ✓ Residential House Construction (Buikwe - Good Shepherd's Fold) - Modern, well-planned living spaces.
- ✓ Five-Storey Commercial Building (Makerere Kavule) - A modern, multi-purpose urban development.
- ✓ Gabion Wall Construction (Show Mercy International) - Effective erosion control and landscape protection.

# Why Choose Marigold?

## More Than Construction—We Build Legacies

At Marigold Engineering, we don't just build structures; we create landmarks that stand the test of time. Here's why we are the right partner for your project:

### Proven Track Record

Successfully delivered projects across residential, commercial, and industrial sectors.

### Expert Team

Skilled engineers, architects, and project managers with years of experience.

### Sustainability-Focused

Eco-friendly building practices that ensure longevity and environmental responsibility.

### Timely Execution

Projects completed on time, every time.

### Client-Centric Approach

We listen, understand, and deliver beyond expectations.

# Our Clients

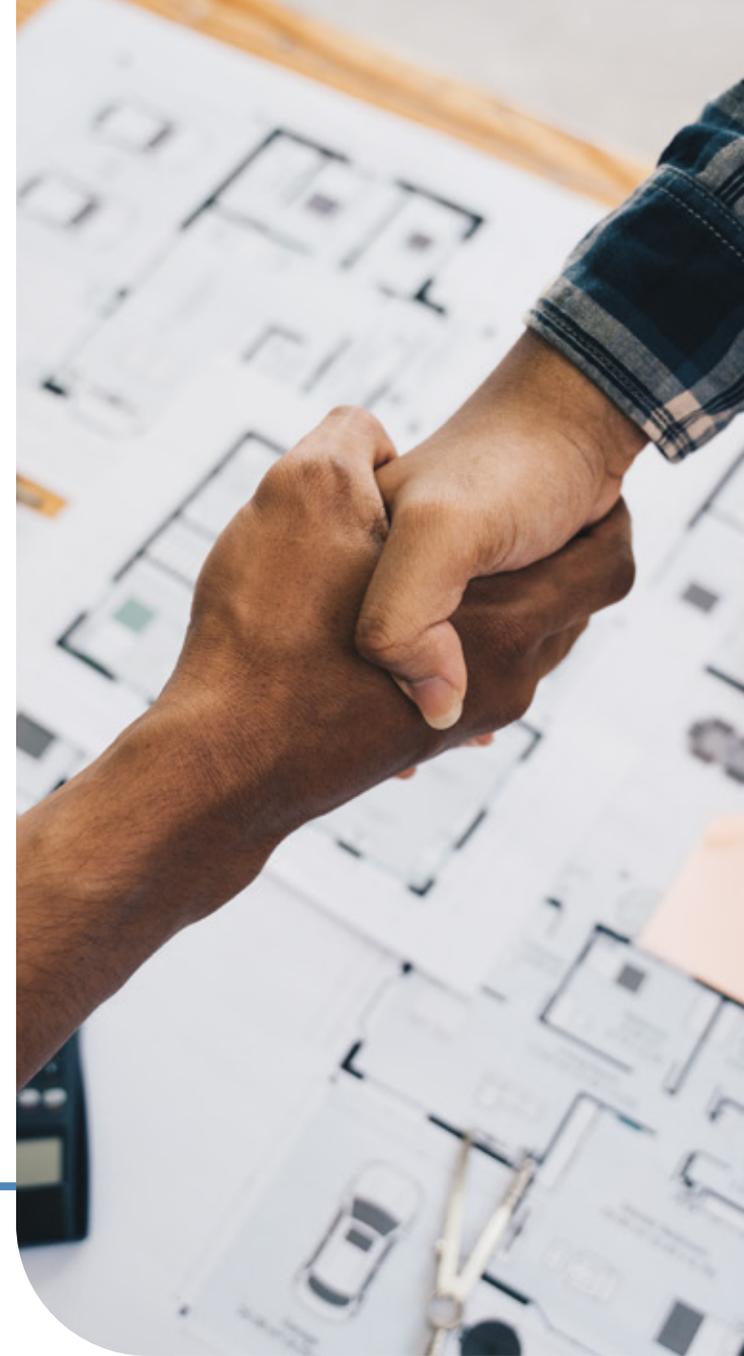

We are proud to have worked with renowned organisations, businesses, and private clients who trust our expertise.

## Some of Our Valued Clients:

Private Homeowners & Businesses
